

Browerville-Eagle Valley Athletic Live Stream

In these unprecedented times, Browerville Public School District 787 will try to stream as many events as possible on Youtube.

In order to find the Tiger's Youtube channel

1. Go to - <http://youtube.com>
2. In Youtube's search bar type : **Bville Video**
3. You should now see a TIGER logo with the name Bville Video beside it.
4. Click on the Bville Video name.
5. You will now see a cluster of videos
6. If there is a LIVE video in progress, that video should be on top for you to select VIEW.
7. The LIVE video will not "turn on" until the contest has started.
8. The other videos that are present are past videos that you are able to scroll through and view if you were unable to watch the contest live.
9. Live videos may take hours to upload and become a past video once the contest has finished.

These videos may not be available forever and may be deleted.

GoTigers!
