Prom	2
Art Show	3
Grandparents Day	4
National Honor Society	5
Special Olympics	6

As of May 16th, 2014 this is the last day of high school for out 2014 seniors. This years class has 38 seniors some that have been here since Kindergarten or even preschool, some that made the journey up the hill from CTK to the high school in 7th grade, and some that have come here throughout the years.

Senior Abigail Irsfeld was asked how her time was here as a Tiger and answered, "It was great and went by really fast!" Fellow classmate Benton Johnson says, "Relax and have a good time!"

Matthew Schettler who played Football and ran Track and was in many clubs his senior year says, "Don't let your senior year go to waste." Matthew has been a very good role model for the underclassmen.

By: Paige Callahan, Trevor Johnson and Cody Lisson

Class Information

Class Motto: "Nothing we do changes the past- everything changes the future."

Class Song: "It's Time" - Imagine Dragons

Class Color: Purple and Silver

Class Flower: Stargazer Lily

Special points of interest:

- BPA Going to Nationals!
- Superintendent's First Year
- Student of the Month
- Sports Teams
- Saying Good-Bye

Spring Athlete Ditch Clean-up

Thank You
Lions Club!

The Browerville Lions Club had asked the school if the athletes would like to help clean ditches, the school said yes and the athletes helped clean ditches on April 30th, 2014. The Athletes came in rain boots, rain coats, hats, gloves to the Community Center ready to load a bus and travel to the Lion's Club ditch ready to walk about two miles to pick up trash in the ditch. The Lions Club has done quite a bit for our school, from the new chairs for the gym to donating money for the school and even to the schools athletic programs. So, this was a way for the athletes to come back and show how much the Lions Club means to the school and to our athletic departments.

By: Paige Callahan

STUDENTS OF THE MONTH

Student of the Month-April: Abigail Irsfeld

Abigail is the Browerville's Lion's Student of the Month for April. She is very well deserving of the award and was nominated by more than one staff member. She is always on the go with many activities and

projects to keep up with. She was just introduced into the National Honor Society. Abigail is active in band, choir, FFA, and yearbook. As an athlete she competes in track and volleyball. Abigail always has a smile on her face and is liked by peers and staff. In her education she yearns to be the best and puts in the extra time to get the most from it. She is a great representative for this award and truly demonstrates "Tiger pride". Abigail's advice for younger students so that they can be a student of the month is to make sure to work hard, get homework done, and get good grades. Abigail Prepared by working hard, keeping her grades up and being involved in a lot of school activities. Abigail wants to go to St. Cloud Tech to become a Dental Hygienist, she wants to find a good job. Abigail Likes Browerville because it's in a small community, she gets to be involved in as many school activities as she wants, and the Teacher's really helped her through-out her years at Browerville.

By Jared Jagush, Casey Butler, and Emilie Kent

Student of the Month-May: Adrienne Grady

Adrienne Grady is Browerville's Lion's Student of the Month for May. Adrienne is a senior who is quietly successful for the work she has done throughout her years in Browerville High-School, and is very well deserving of this award. Adrienne has volunteered her time and education to cross aging the special needs and kindergarten class, and plans to attend college for Addiction Psychology. Her class work is always of high quality, more often than asked she goes above and beyond!

She is a sweet, friendly person, she gets along with everyone. She is always participating in classroom discussions, she's not afraid to voice her opinion on things, even if it goes against the flow. Adrienne's advice for underclassmen trying to earn the award is to try the best you can, work hard,, turn your homework in on time and attendance is always important! In a quiet way Adrienne displays what it truly means to be a "Browerville Tiger". Being Student of the Month is a great thing to have on your records, colleges look for great, hard working students. Adrienne is definitely a role model for underclassmen because of her hard work and dedication to school and school work!

Spring Fling 2014

Spring Fling was a total success. It seemed as though everyone came together to bring the school into one colorful group of students and even teachers!

Monday was Spring Fever dress up day. Everyone dressed up in Spring clothes to welcome Spring to BHS. Tues-

day was America Day. Everyone dressed patriotic for our country. Wednesday was "MORP" day. BHS students dressed up in old fashioned dress up/ prom dresses and the guys dressed up in old fashioned suits. Unfortunately not too many people had dress up clothes for this day, but it was still fun! Thursday was

Throw Back Thursday! 50's, 60's, 70's, 80's, 90's, cavemen, babies, anything from the past was everyone's apparel. Friday was class color day. This year, every class had T-shirts made for them. Most of them had clever sayings on them for the class.

Activities for Spring Fling:

There were no Spring Fling activities on Monday and Tuesday.

Wednesday the activity was Lightening. The Juniors placed first and Sophomores placed second.

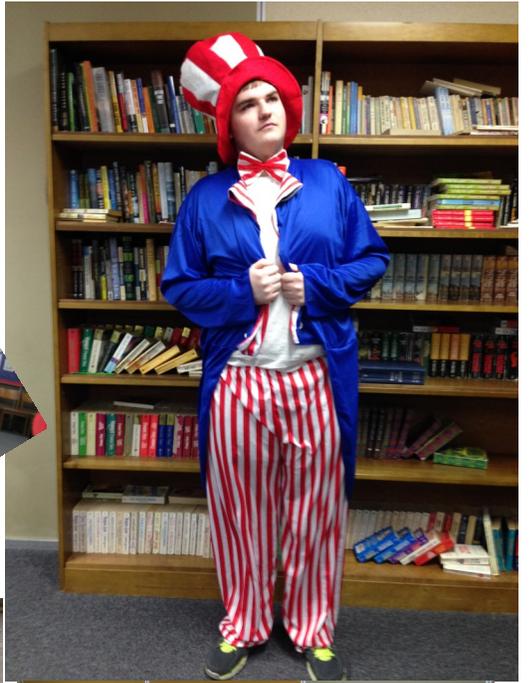

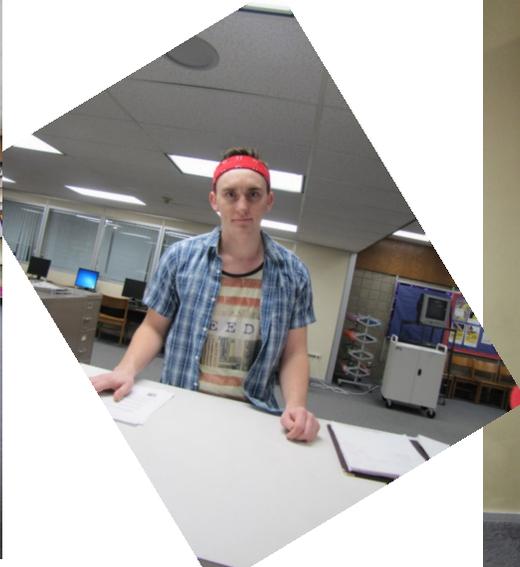

Thursday the activity was dodgeball. First place went to the Freshmen and second place went to the Sophomores.

Friday was the first annual Hunger Games. A non-violent version of course. For the Hunger Games two students from every grade were drawn out of a box. Their names were put in there by their fellow students and teachers paying two dollars to get their name in there. In order to get out of doing it you would have to pay five dollars. There were twelve people

in the Hunger Games competing. The two standing last were Trent Johnson and Josh Jezorski. They battled over first place through a pie eating contest. Josh won that and was named champion of the first annual BHS Hunger Games!!

By: Demi Franek and Lexie Kestner

BHS Art Show

All of the entries to this years art fair were wonderful. Although we still had to pick some winners.

Sr. High winners (top form left to right) Diep Duong, Katrina Plaggerman, Hannah Gaglierde , (bottom from left to right) Jake Iten, Grace Couchey, Mercedes Bollin.

Jr. High (top from left to right) Jordan Host, Tyler Koriles, Dustin Martin, Thersea Tynio, Austin Laraas, (bottom left to right) Amy Micheals, Olivia Irsfeld, Kennady Hudaulla, Grace Bruder

Elementary (top left to right) Ben Olander, Jack Nedorosik, Alex Tabatt, (bottom left to right) Marissa Callahan, Tyra Myers, Jada Struss, Anna Nedorosick, Reis Irsfeld

Here we have the best of shows in all three groups. Alex Tabatt (elementary), Kennady Hudaulla (Jr High) and Barbara Kenyon (Sr. High)

BPA Nationals

“ .It has guided me to a good valuable life experience.”

-Andy Brichacek

“It takes hard work to be dedicated to business encompasses.”

-Grace Couchey

In the beginning of 2013-2014 approximately twenty students joined BPA, but two students of the stood out, Andy Brichacek and Grace Couchey, they have made their way through BPA Regions, State, and Nationals. Andy and Grace were chaperoned by Dan Custer on their trip to Indianapolis. Mr. Custer said “The overall competition went great, there were 5,000 students competing and Grace and Andy really did great! He says, “The traveling part was easy because everything was so organized, Andy and Grace had some tough competition, but I think it’ll be easier next year because this time they’ll know what to expect, I was so happy and lucky to be a part of BPA this year I personally learned a lot myself and look forward to next year!”

Andy and Grace both say “We would love to go back next year! It was a great learning experience and a great thing to be a part of! While we were there we got to do some other stuff other than BPA we got to see a war memorial in downtown Indianapolis, we took a paddle boat ride down the canal and we visited Kings Island Amusement park! Andy stated “To me BPA is a good group to be a part of; it has guided me to a good valuable life experience and showed me what real business professionals are.”

Grace says her first year wasn’t what she thought it would be, “ I thought when I joined BPA it was going to be strictly just about business, but after a year I learned that it’s about much more and opens you up to a lot of new opportunities, you get to enjoy fun activities, meet new people and make great new friendships, explore many different careers, and helps prepare you for college!” And who knows, you might end up going to nationals like Andy and Grace.

PROM 2014 Drops of Jupiter: Last stop of the 2013-14 School Year

As the school year quickly comes to an end, the 2014 Junior and Senior Prom “Drops of Jupiter” marks one of the last major events of the school year, and was a fun and exciting event for the students who attended.

Browerville Prom 2014 “Drops of Jupiter” was on April 26 and was a fun day for those who attended. The day started off for many by getting their hair

done, getting all dressed up, taking pictures, then heading by limo, car, and even party bus out to their favorite restaurants. Some of the restaurant choices made by students this year were Granite City and Grizzly’s, both great dining choices for prom. After finishing their dining experience, the students then headed back to Browerville where they had pictures taken professionally by Tolifson Phohtography.

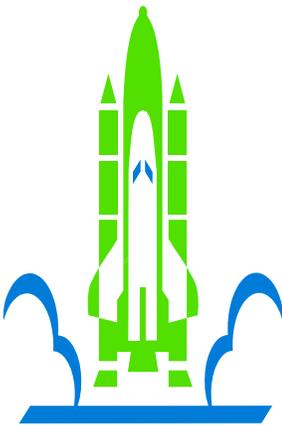

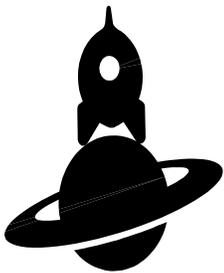

At 7:30, prom goers got the chance to present and show off their dresses and tuxedos to the crowd at Grand March. After completing their rounds at Grand March, the dance began. This is one of my favorite parts of prom, being able to dance to our favorite songs. After almost three hours of dancing, it was time to get ready for Post Prom, which is put on by the Junior and Senior parents.

When arriving at Post Prom at midnight, hunger is one of the main concerns. This year some of the food choices were wings, pizza, egg rolls, taco boats, fruit, and a dessert bar. After eating it was time to take part in all the Post Prom festivities.

Poker, Amazing Race, and volleyball were just a few of the gaming options at Post Prom. Another awesome event was the hypnotist, where a selected group of students, I being one of them, were hypnotized.

After hours of dancing and playing, it was time to win some prizes. Some of the prizes included were TVs, gift cards, fridges, microwaves, and much more. Prom 2014 was definitely a success, and will be one of the great memories of high school, and will continue to be a fun experience for all.

By: Benton Johnson

“The National Honor Society (NHS) is the nation’s premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to honor those students who have demonstrated excellence in the areas of scholarship, leadership, service, and character. These characteristics have been associated with membership in the organization since its beginning in 1921.”

On March 26th the National Honor Society Chapter in Browerville honored its incoming members as well as its veteran members. The members were served a banquet to honor their excellence. Through volunteering, academic success, and leadership these students have become pillars in the community. This night was all about honoring them for the work they have done, and will continue to do.

The Browerville National Honor Society Chapter has not only completed volunteer work individually outside of school, but has also completed many team effort volunteer projects this school year. In October they held a blood drive at school to raise money and collect blood to help others in need. During the Christmas Season, the NHS group raised money for Toys for Tots, providing gifts for children in need. In the second semester the group held a can tower building contest, adding a fun and exciting way to collect food for the area food shelf. Next the group held a “Hunger Games” style contest raising money for the BHS Dollars for Scholars. The group also spent time on Earth Day cleaning the school grounds.

As the school year comes to an end, the NHS torch will now be passed on to the Junior Members. Thanks to senior members Benton Johnson, Trent Johnson, Emily Lisson, Abigail Irsfeld, Jake Iten, Cody Hansmeyer, Jackson Polak, and Emily Busch for all the work they completed here at BHS. Junior members that will be continuing their work next year are Kate Kellen, MaKenna Hegseth, Dominique Ludwig, Katelyn Middendorf, and Catherine Aksamit. These students will continue to work hard wherever they may go to provide service and help to those in need.

Tiger Paw

Mr. Wagner our Spanish Teacher, Head Wrestling coach, Track Coach, and a helper with football here at BHS is leaving for personal reasons.

He was asked what he enjoyed here about the staff and answered, "The staff is fun and enjoyable to be around, they are also very easy to get along with and I have made so many good relationships with them." He also says that the students here are for the most part working and ready and willing to experiment new things in the classroom.

He stated that the hardest part is that he will be leaving behind the wrestling program. "I believe in these guys so much. They have worked so hard and put in so much time, they knew what I wanted from them each and every practice and match."

He believes that he has been able to bring more athletes to the weight room, and has noticed that the athletes here are willing to put in extra time before and after practices as well as before and after the season to get better and be the best they can be. He says, "That's what I like about any athlete."

Mr. Wagner has the opportunity to be the head football coach and to coach track and also he will be the Spanish teacher at Pequot Lakes. This is his third year teaching and has been teaching in Browerville for two years. He knew that this was

going to be a very hard decision and knew it was going to come.

He wants to leave back and wants it to continue is that the athletes and students know that more is always required and that you have to be willing to put in more time and effort, into school and sports to become the best you can be! He loves to coach as well as teach and has enjoyed his time as a Browerville Tiger very much. He believes him leaving is kind of "bitter-sweet", as he stated.

By: Paige Callahan

Parent's and Grandparent's Day

On the first and second of May, the tradition continued for the K- 6th grade having their grandparents, and parents visiting for the day to listen to the kids sing.

The theme for this years program was, "United We Sing". The program opened up with the K-6th grade singing the national anthem. Almost all of the songs that the kids sang were patriotic.

Mrs. Petermeier, the K-very runn gym.

6th grade music teacher, has been putting on these programs for all of the 22 years that she has been here. Every year the turn out for the program is great and there is usually a full gym. This years turnout for the parents and grandparents day programs, had a very full gym.

For the finale of the program, all the K-6th grade sang a song that had to do with the patriotic theme. After the grandparents program was

done, the kids and their grandparents went to eat lunch and visit for a little while, and when they are done eating they got to go home with their grandparents.

During the program, they honored everyone who has and who are currently serving for our country.

Thank you Veterans.

By: Madison Hudalla, Crystal Pearson, and Paige Callahan

Special Olympics

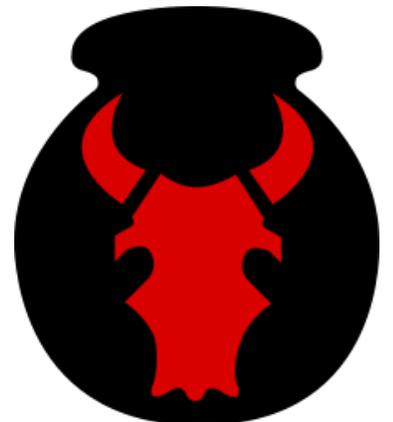

On Wednesday May 7th, The special Olympics team headed to compete at the track meet in pillager. The 3 girls did really well, and worked really hard. Cortney Boyer placed 5th in the 50 meter dash her time was 13.87 seconds. Lissa Pierce placed 1st in the 25 meter walk her time was 20.81 seconds. And, Kasey Koppendrayer placed 1st in the 50 meter dash her time was 11.53 seconds. Good job to these 3 girls in there big wins. And, good luck to Cortney Boyer and Kasey Koppendrayer at state in Still Water on June 26, 27 and 28. Good Luck girls!

By: Nikki Joarnt and Brittney Martin

WARRIOR'S READY!!!!

The Army National Guard what is it YOU asked? Well it turns out it is a “ready force to serve and protect”, they are made up of community members also know as weekend warriors and known to be the only branch that works for the state only. There is a lot of benefits that go with the National Guard for example, the Guard will pay for your college up to the University of Minnesota Standards. You can also use your whole life to make a full career out of the Army, but not everyone can join it is very unfortunate that some cant join but the country is very proud to have those brave to serve and protect the great country. According to SSG Housey “its an opportunity to learn a trade in the military. You can learn personal discipline and professional but you can use what you have learned in the National Guard to apply to the civilian work force”. Even tho there is so many good qualities every person could say for the National Guard there are also negative sides that people say about them. SSG Housey was kind enough to shed some light on some of the misconceptions “labeled as a less adequate force then most’ “not as well trained or disciplined as most of the branches”. But they have a larger benefit as they bring more to the table as a force then the regular army would.

Tracks Off to a Big Bang!

This year the track team has done extremely well at the very few meets they have attended. Only going to 5 different meets and having a bunch being cancelled or postponed has hit the team really hard! With some teams already having 6 or 7 meets in they have a lot more going for them. But our little team has come a long way and are ready to keep on rolling. This team reminds me a lot of "David and Goliath" with us being David and the other teams being Goliath! Our Team is very young and eager to get out and run at every meet we can.

Billy Dreher one of the senior leaders has a lot of hopes this year of having kids advance to and maybe even state. The best feature Billy sees about our team is no matter what we doing from running around the square in school, to throwing shot-put in the gym that we all try 110% all the time. "We hope to make conference champs this year" Billy says. With the year almost over Billy is looking towards helping and cheering people on towards the section championship meet in Moorehead on Tuesday May 29th. Billy also said he is hoping to make it to sections maybe even to state and try his hardest to PR (Personal Record/Personal Best), and good luck to the other athletes on our team !

Cody Hansmeyer one of our other Senior leaders has his eyes set on the prize of making it to state in either the 4X100 or in the Triple Jump. Cody has been in track for only 3 years but has loved it from the start. "With it being a competitive sport but yet fun its grown on me a bunch, you can be serious with running and jumping then being able to talk to your friends and make new friends in the process makes it fun on its own. " Cody says. "Ever since I've started me and a bunch of seniors (Matthew Schettler, Jackson Polak, and Billy Dreher) have had contests at the meets on who can score the mosts point or get the better placing in a race, it's been like this since Elementary Track and Field Day!" Cody added. Cody hopes to advance to the section meet and the state meet if he qualifies, then help motivate his friends to the

state meet as well!

From the senior track members we would love to thank the coaches, teachers, custodians, and everyone else for the support and flexibility with our schedules! Good Luck to all tigers sports as Playoffs approach. Good Luck and Have Fun!

By: Matthew Schettler

Front Row– Devin Lange, Nick Davey, Christian Sutlief, Kellen Pulliam, Jasen Michel, Micheal Thompson **Second Row**– Dawson Quirstorf, Dalton Butler, Jordan Salber, Nic Becker, Colton Hendrickson **Third Row**– Josiah Cole, Damian Lange, Jordan Gorder, Thomas Kircher **Back Row**– Billy Dreher, Benton Johnson, Jake Iten, Matthew Schettler, Jackson Polak and Cody Hansmeyer.

Front Row– Amy Michel, Noelle Host, Emily Hinnenkamp, Julia Blommel **Second Row**– Kylie Crowe–Montanez, Allie Benning, Marah May, Valaria Zins, Josie Brichacek, Brittney Martin **Third Row**– Theresa Tynio, Abigal Irsfeld, Kendra Buchta, Zara Einerwold **Back Row**– Dani Leagjeld, Morgan Thielen, Dominique Ludwig, Olivia Irsfeld, Megan Carry.

Softball 2014

Varsity Roster

Due to the weather there has been many postponed and cancelled games. The girls are very eager to play more games and are sick of the crappy Minnesota weather. They have battled through rough weather and have started out the season on a very good note.

The Tiger girls have played some very tough teams including, Kimball, Royalton and Maple Lake. The girls first game was against Maple Lake and it showed coach Meissner what they needed to work on as the ending score was the Tigers 2 and Maple Lake 7. The team made some adjustments and came into the next games hitting a lot better and coming out with the Wins. The Royalton game was a mentally fought hard game with it raining for part of it and being below 30 degrees. The girls pulled out a Win with a 10-8 victory over Royalton! A few more games were played and the girls got a few more wins and another tough game came up against Kimball. The Royal-

raining for part of it and being below 30 degrees. The girls pulled out a Win with a 10-8 victory over Royalton! A few more games were played and the girls got a few more wins and another tough game came up against Kimball. It was close the whole game until the 6th inning the tiger's pitchers struggled and Kimball scored nine runs that inning. They lost that game with an ending score of 18-12. The girls sit at a record of 12-2 for right now.

The Tiger's seniors are Emily Lisson, Haley Piotrowski, and Andi Buhl. The girls all agreed that the season is going very well for what they have been able to play. They wish they could play more games and have more practices on their own field. "Our team is on the right track, as we are getting better every day." said Andi Buhl.

The team has high hopes for the playoffs and are having a very fun season so far! Good Luck to the Tiger Girls on the rest of their season!

Mr. Vedbraaten First Year..

Mr. Vedbraaten is wrapping up his first year as the Browerville Superintendent with the school year coming to an end. He has a bachelors degree at UND which took him four years. Then his masters and principle license at University of Minnesota Mankato.

He said that he had a great first year at Browerville and is excited to see what next year will bring him. The hardest thing about changing schools was learning how each school system ran and also his distance from his family. He is about 197 miles from his family which would be about a three hour drive to visit.

He is married and has 4 daughters. Three of them plan on coming to Browerville next year while the oldest one graduated this year.

By: Cody Lisson, Trevor Johnson, Madison Hudalla and Crystal Pearson
