

**SWIMMING LESSONS REGISTRATION
BROWERVILLE AREA SWIMMING POOL
2023 SEASON**

The procedure for swimming lesson registration will be the same as in the past. Students will be registered by completing the enclosed registration form and returning it to the Browerville Public School District Office, by April 21, 2023. Please submit one form for each child in your family. Payment for lessons must accompany the registration. The fee is \$50 per student/per session for all students who attend Browerville Public School and students who attend Christ the King School. All others will be charged \$60.

Every attempt will be made to schedule students for the preferred time and session. However, we cannot guarantee that your first preference for time and session will be available. Therefore, we are asking that at least two alternate times and/or sessions be listed on the registration.

This registration procedure is used in attempt to make registration more convenient for parents. We ask for your patience as we place students in classes. We further recognize that not everyone will receive their first choice for time and session and we will do our best to accommodate the requests of parents. District residents will be given preference, whenever possible.

Students and parents will be notified by mail of placement into classes prior to May 26th, 2023. Any changes after that date may be done in person in the District Office and then only in classes that have openings.

No refunds will be given unless the District is notified, in writing, at least one week prior to the start date of the lessons.

No telephone registrations can be accepted.

If you are unsure of your child's level of placement, please call 594-2272.

Please refer to the enclosed sheet for further information regarding the pool, open-swim and lessons.

Please be advised that registrations received after April 21st, 2023, will have a low priority for placement into classes.
