

**SWIMMING LESSONS REGISTRATION
BROWERVILLE AREA SWIMMING POOL
2024 SEASON**

The procedure for swimming lesson registration will be the same as in the past. Students will be registered by completing the enclosed registration form and returning it to the Browerville Public School District Office, by April 22nd, 2024. **Please submit one form for each child in your family.** Payment for lessons must accompany the registration. The fee is \$75 per student/per session for all students who attend Browerville Public School and students who attend Christ the King School. All others will be charged \$100.

Every attempt will be made to schedule students for the preferred time and session. However, we cannot guarantee that your first preference for time and session will be available. Therefore, we are asking that at least two alternate times and/or sessions be listed on the registration.

This registration procedure is used in attempt to make registration more convenient for parents. We ask for your patience as we place students in classes. We further recognize that not everyone will receive their first choice for time and session and we will do our best to accommodate the requests of parents. District residents will be given preference, whenever possible.

Students and parents will be notified by mail of placement into classes prior to May 24th, 2024. Any changes after that date may be done in person in the District Office and then only in classes that have openings.

No refunds will be given unless the District is notified, in writing, at least one week prior to the start date of the lessons.

No telephone registrations can be accepted.

If you are unsure of your child's level of placement, please call 594-2272.

Please refer to the enclosed sheet for further information regarding the pool, open-swim and lessons.

Please be advised that registrations received after April 26th, 2024, will have a low priority for placement into classes.

Browerville Swimming Pool 2024 Swimming Program

- Swimming lessons will be held again this year at the Browerville Pool. It is recommended that students have completed Kindergarten to register for the regular lessons. Children who are 5 years old, have not yet completed Kindergarten but have taken and passed the Preschool Level II class may register for the Level I class. *Preschool Level I is geared toward 3 and 4 year-olds and Preschool Level 2 is geared toward 5 year old students. A parent **will not** be in the water with the preschooler during Pres-school Level 1 or Pre-school Level 2. In order to enter Pre-School Level 1 a child must be able to enter the pool on their own.*
- Lesson Fees are \$75.00 per student/for children attending school at Christ the King and Browerville Public School. For all other schools the fee is \$100.00 per student.

NOTE: A class may be cancelled in the event there are not enough students enrolled. Other classes may also be changed. Parents will be notified. Every attempt will be made to fill these courses.

**FEES: Season Pass-Resident Family \$200.00, Resident Single \$100.00. Resident Single session \$7.00-
afternoon session and \$5.00 evening session..**

**Season Pass-Nonresident Family \$250.00. Nonresident Single \$125.00. Nonresident Single Session \$10.00-
afternoon session and \$8.00 for evening session.**

- Private Parties \$200.00 per hour for our Resident or \$250.00 per hour for Nonresident and price includes two lifeguards.

Swimmers are not to be near the diving board while the board is being used. This is done for safety reasons. The on-deck guards may designate one or two timed segments during open swim when the diving board will be closed to allow swimmers the opportunity to swim in the deep end, retrieve rings on the bottom and jump or dive off the NORTH end of the pool. If the pool is extremely busy, the board will remain open. For your safety, please swim in the south end of the pool when the diving board is being used. When a young child wishes to use the diving board, parents may provide standby assistance in the water at a safe distance from the end of the board. Please notify the lifeguard if you will be assisting your child. Both swimmers must exit the pool using the nearest ladder.

Thank you for your cooperation in keeping our pool a safe place to swim!

- A Spanish version of the pool rules is available at the Swimming Pool and High School office. Las reglas para la piscina están en la oficina de la escuela y a la piscina.**
